

## **Landscape Committee Procedures**

### **For Homeowners Planting Their Own Garden**

Homeowners will be able to select plants from the list below and replace **one for one** as not to tax the irrigation system. This will be done at the homeowner's expense. **Prior to any plantings a plan must be submitted to the ARB for approval to submit for Board approval.** A form is available on the ARB portion of the web site for your use. The landscape Committee and Ginger Watson from Artistree will be available for consultation.

Please use the Florida Friendly Web Site for information:
