

Landscape Committee Meeting Thursday Sept 9, 2016 2:00 Pool

Attendees: Judy Coe Rapaport, Connie Jenson, Todd Watkins and Ginger Watson

1. Palm trees at entrance trimmed Todd requested Ginger trim the 7 trees at the Jacarenda entrance
2. Connie finished the list of home and villas that needed new sod and Ginger will schedule
3. The drainage issue at 121 Cordana is an issue. Ginger will have her people look at and make recommendations
4. Tree replacement policy was sent to committee members for opinions.
5. Plant replacement is almost complete. Michele will meet with Ginger to complete the common areas. 4 Jatropha trees will be planted at the front entrance to replace the dead palms that were removed.
6. Homeowners were complaining that Artistree was not picking up tree waste. Todd told Ginger that it was part of their contract. Ginger said she would come on Mondays to pick them up.
7. We received one quote from MPS Landscaping for mulch removal and replacement. Ginger will have quote by next week.
