

## **Landscape Committee Meeting November 16, 2016 2:00 P.M. Pool**

**Attendees:** Judy Coe Rapaport, Joan McGowan, Michele Reeves, Connie Jenson, Mitch Herman and Ginger Watson

**Ginger will create a schedule for 2017 that we can put on the web site**

**Mulch will be scheduled for January and common areas will be refilled.**

**Ginger suggested that we add plants to the list to give homeowners a larger selection. She said it was restrictive. It was suggested that 10 plants to the current list for board approval.**

**Ginger stated that she would give a discount to homeowners that wanted their ginger plants and podocarpus removed from their front yards. She will have the discount ready for the next meeting.**

**Fertilization and weed control should be 12 feet from edge of ponds.**

**Next meeting January 11, 2017 2:00 P.M. at pool**
